WELCOME TO OAK GROVE LUTHERAN SCHOOL

Mission Statement

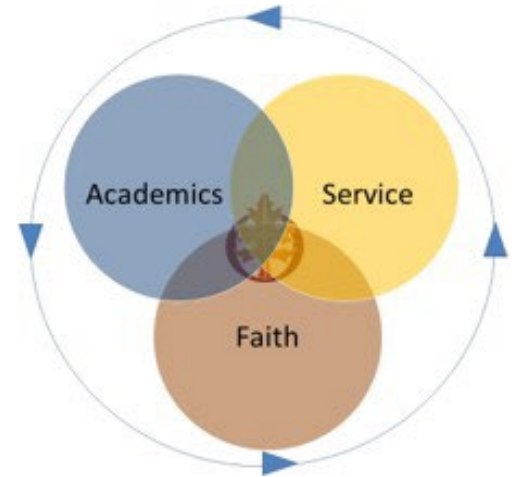

The mission of Oak Grove Lutheran School is to express God's love by nurturing students for academic achievement, lifelong Christian commitment and loving service throughout the world.

Vision Statement

Inspiring students to impact God's world.

Shared Values

Shared values, much like a mission statement, are meant to be timeless in their reflection of the organization's character and culture. When Oak Grove is shining brightest, when we are at our best, the atmosphere and culture that carries us to those heights should be most clearly seen through the shared values.

Relationships

We thrive on personal relationships and strong role models, care for each person as a child of God, and together reflect a spirit of accountability, trust and respect.

John 13:34-35; Galatians 5:14; Galatians 6:9

Community

We grow as a community that welcomes new people and ideas, supports each other as members of our family, and continually renews our legacy as part of God's unfolding plan.

Colossians 2:6-7; Hebrews 10:24-25

Character

We challenge each other to be people of strong character, well-grounded morally and ethically, and confidently live out God's call to show honesty and integrity in all that we say and do.

Ephesians 1:17-19; 1 Timothy 4:12; 1 Peter 4:11

Courage and Curiosity

We encourage courageous exploration and development of our God-given gifts, driven by a curiosity to discover and experience broad and unique opportunities, and commit ourselves to life-long learning and growth.

2 Timothy 1:6-7; 2 Timothy 2:15; Hebrews 3:6

Faith and Reason

We embrace the intersection of faith and reason through rigorous pursuit of knowledge and understanding while seeking to know and trust in God's creative power, His revealing word, and His saving grace.

Romans 12:2; Hebrews 6:12; Hebrews 11:1

Service and Leadership

We transform ourselves and the world around us by loving and serving our neighbors, showing compassion and empathy to all, and being leaders who imitate Christ in our thoughts, words, and actions.

Mark 9:35; Mark 10:42-45; Philippians 2:3-8; Hebrews 6:10

“At Oak Grove Elementary School, we live out our motto to learn well, be loving Christians, and serve others. Our teachers strive to provide our students with an excellent academic experience, but more than that, we take pride in helping our students gain an understanding in what it means to live out our faith. Oak Grove Elementary provides a community environment that nurtures a child through the most formative years of their life.”

Academic Program

Oak Grove is widely recognized for the strength and quality of our academic programs at all grade levels and has been recognized as the number one private school in the state by Niche.com since 2018.

Oak Grove Kjos Early Learning Center is designed to provide developmental and educational activities specific to your child’s individual needs. Our program facilitates each child’s learning in all developmental areas including cognitive, social, and emotional, physical, language and literacy, and spiritual. As a team, our teachers focus on highly effective instruction and the social-emotional development of your child.

In the Oak Grove Elementary School program your child will experience what it means to be part of a school family. The educational experience at Oak Grove Elementary nurtures the whole child and extends beyond the academic arena. Students’ experiences inside and outside of the classroom will allow them to become curious learners and develop lifelong skills and attitudes of learning, service, leadership, and strong self-esteem through faith-based teaching.

Oak Grove Middle School students experience a nurturing environment where it is safe to explore academics, faith, and service, and what those will mean for the rest of their lives. We understand that middle school is not always an easy stage of life, so we strive to intentionally build relationships and a sense of belonging for all students. Our teachers provide academic excellence in the classroom through a variety of teaching methods and rigorous coursework. Daily chapel and Christian Studies classes give students the freedom to learn about Christianity and develop their own personal faith. Students have great opportunities to get involved in extracurricular activities ranging from the arts and athletics to academic contests. Service to others is an important part of the Oak Grove experience. Our entire middle school community works to give back and live out their faith through meaningful projects and activities.

Oak Grove High School will equip students for lifelong learning and loving service throughout the world. Our teachers build classroom experiences to create knowledgeable, capable scholars. Our Christian Studies classes offer opportunity to learn about the Christian faith, develop a personal faith identity, and nurture a foundation in faith. Our students have the unique opportunity to put their faith into action through mission work with organizations locally and around the world. We offer a multitude of extracurricular activities from which to choose including a full slate of options in fine arts, athletics, service and leadership clubs, and academic teams. At Oak Grove, our graduates will move on to the next steps of their lives equipped with not only a solid academic foundation, but with personal integrity, leadership skills, and a servant's heart.

Our High School academic program requires 24 credits for graduation (4 English, 3 Mathematics, 3 Science, 3½ Social Sciences, 1 Physical Education, ½ Religion per year, ½ Health, ½ Computer, ½ Finance, plus electives). Oak Grove offers a wide variety of classes including a full menu of options for Dual Credit and Advanced Placement.
