

"I have been and will continue to be a strong advocate for Oak Grove as my children attended and now have graduated. As Oak Grove's mission states, living in God's love is the primary focus to providing a firm Christian foundation through their academics and beyond. As an active member in the community in various roles, I believe Oak Grove not only continues to provide a strong Christian learning environment, but high academics standards and values to prepare these young adults for success."

- Steve Asche | Financial Advisor, Thrivent Financial
